

§ 400.209

The contract will continue from year to year with an annual renewal date of July 1 for each succeeding year unless the Corporation or the Contractor gives at least ninety (90) days advance notice in writing to the other party that the contract is not to be renewed. Any breach of the contract, or failure to comply with these Standards, by the Contractor, may result in termination of the contract by the Corporation upon written notice of termination to the Contractor. That termination will be effective thirty (30) days after mailing of the notice and termination to the Contractor.

(b) A Contractor who elects to continue under the Contract for a subsequent year must, prior to the month of June, submit a completed Plan of Operation which includes the Certifications as required by § 400.203 of this subpart. The Contractor may not perform under the contract until the Plan of Operation is approved by the Corporation.

§ 400.209 Electronic transmission and receiving system.

Any Contractor under the Contract is required to:

(a) Adopt a plan for the purpose of transmitting and receiving electronically, information to and from the Corporation concerning the original executed crop insurance documents;

(b) Maintain an electronic system which must be tested and approved by the Corporation;

(c) Maintain Corporation approval of the electronic system as a condition to the electronic transmission and reception of data by the Contractor;

(d) Utilize the Corporation approved automated data processing and electronic data transmission capabilities to process crop insurance documents as required herein; and

(e) Establish and maintain the electronic equipment and computer software program capability to:

(1) Receive and store actuarial data electronically via telecommunications utilizing 3780 protocol and utilizing a BELL 208B or compatible modem at 4800 bits per second (bps);

(2) Enter and store information from original crop insurance documents into electronic format;

(3) Verify electronically stored information recorded from crop insurance documents with electronically stored actuarial information;

(4) Compute and print the data elements in the Summary of Protection;

(5) Transmit crop insurance data electronically, via 3780 protocol utilizing a BELL 208B or compatible modem at 4800 bps;

(6) Receive electronic acknowledgments, error messages, and other data via 3780 protocol utilizing a BELL 208B or compatible modem at 4800 bps, and relate error messages to original crop insurance documents; and

(7) Store backup data and physical documents.

(The Corporation may approve other compatible specifications if accepted by the Corporation and if requested by the Contractor)

§ 400.210 [Reserved]

Subpart N [Reserved]

Subpart O—Non-Standard Underwriting Classification System Regulations for the 1991 and Succeeding Crop Years

AUTHORITY: 7 U.S.C. 1506(l), 1506(p).

SOURCE: 55 FR 32595, Aug. 10, 1990, unless otherwise noted.

§ 400.301 Basis, purpose, and applicability.

The regulations contained in this subpart are issued pursuant to the Federal Crop Insurance Act, as amended (7 U.S.C. 1501 *et seq.*), to prescribe the procedures for nonstandard determinations and the assignment of assigned yields or premium rates in conformance with the intent of section 508 of the Act (7 U.S.C. 1508). These regulations are applicable to all policies of insurance insured or reinsured by the Corporation under the Act and on those policies where the insurance coverage or indemnities are based on determinations applicable to the individual insured. These regulations will not be applicable to any policy where the amount of coverage or indemnities are based on the experience of the area.
